## Quality Policy

We, the owners and senior managers of Navalis Environmental Systems, LLC (Navalis), commit to consistently provide products that meet or exceed the needs and expectations of our customers, and comply with all applicable regulatory requirements. Furthermore, to strive for continuing enhancement of customer satisfaction, we commit to assess and improve our processes and products on an ongoing basis. We recognize the key to our success in this endeavor is to develop and implement an effective Quality Management System with broad support and participation of all of our employees, beginning with top-level management. To that end we hereby embrace and endorse the Quality Program Plan as contained herein.
